

# WAY OUT WEST

## Pinot Noir Willamette Valley AVA

Hailing from vineyards surrounded by conifers, Way Out West's small-batch, cool climate Pinot is packed with vibrant fruit and a true sense of place. Clean, honest, and energetic in style, this NW classic has good tension on the palate, balancing plenty of orchard cherry against hints of ripe raspberry, warm earth, and a savory, arborial note. Early-to-rise winemaker Anne Hubatch is known for her hard-working, hands-on approach to her craft. True to style, this Pinot knows exactly where it comes from and just what it wants to be!
